

## **YOUR ABILITY TO WITHDRAW FUNDS**

It is our policy to provide you with the earliest access to your money within the guidelines of sound banking practices. Although we may delay the availability of certain funds deposited into your account, we adhere to federal and state banking regulations concerning such delays. When you deposit a check into your account, the entire amount is not always immediately available for your use in writing checks or making withdrawals or purchases.

## **DETERMINING THE AVAILABILITY OF A DEPOSIT**

The length of the delay is counted in business day from the day of your deposit. Every day is a business day except Saturdays, Sundays, and federal holidays. If you make a deposit before 2:00 P.M. on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit after 2:00 P.M. or on a day we are not open, we will consider that the deposit was made on the next business day we are open. Later cut-off times may apply for deposits made at certain locations. The length of the delay varies depending on the type of deposit and is explained below.

## **SAME-DAY AVAILABILITY**

Funds from electronic direct deposits to your account will be available on the day we receive the deposit.

## **NEXT-DAY AVAILABILITY**

Funds from the following deposits are available on the first business day after the day of your deposit:

- U.S. Treasury checks that are payable to you
- Wire Transfers
- Checks drawn on Meus Bank

If you make the deposit in person to one of our employees, funds from the following deposits are also available on the first business day after the day of your deposit.

- Cash
- State and local government checks that are payable to you (if you make a special request to our tellers)
- Cashier's, certified, and teller's checks that are payable to you (if you make a special request to our tellers)
- Federal Reserve Bank checks, Federal Home Loan Bank checks, and postal money orders, if these items are payable to you

If you do not make your deposit in person to one of our employees (for example, if you mail the deposit), funds from these deposits will be available on the second business day after the day of your deposit.

## **CHECK DEPOSITS**

The first \$225 from a deposit of checks will be available on the first business day after the day of your deposit. The remaining funds will be available on the second business day after the day of your deposit. For example, if you deposit a check of \$700 on Monday, \$225 of the deposit is available on Tuesday. The remaining \$475 is available on Wednesday.

## **LONGER DELAYS MAY APPLY**

Funds you deposit by check may be delayed for a longer period under the following circumstances:

- We believe a check you deposit will not be paid
- You deposit checks totaling more than \$5,525 on any one day
- You re-deposit a check that has been returned unpaid
- You have overdrawn your account repeatedly in the last six (6) months
- There is an emergency, such as failure of communications or computer equipment

## **SPECIAL RULES FOR NEW ACCOUNTS**

If you are a new customer, the following special rules will apply during the first 30 days your account is open.

Funds from electronic direct deposits to your account will be available on the day we receive the deposit. Funds from the deposits of cash, wire transfers, and the first \$5,525 of a day's total deposits of cashier's, teller's, traveler's, and federal, state and local government checks will be available on the first business day after the day of your deposit if the deposit meets certain conditions. For example, the checks must be payable to you (and you may have to make a special request of our tellers). The excess over \$5,525 will be available on the ninth business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first \$5,525 will not be available until the second business day after the day of your deposit.

Funds from all other checks deposited will be available on the tenth business day after day of the deposit.
